This morning Dentist Nuwanthi came to talk to us about looking after our teeth. We talked about brushing our teeth twice a day. We looked at food that were good for our teeth and food we should only eat sometimes. The children were great listeners.

We had the fire fighters come to visit us today. They came to talk to us about how they help people. We found out how they use all the equipment on the fire engine. They also told us how to keep safe in our homes by having smoke alarms fitted. Some of got to try on the protective uniform they use to put out the fires 🔥 🚒
