We have been learning about the Japanese artist Yayoi Kusama. She used polka dots in her artwork. We have been using her dot technique in our art today.

Year 2 and Year 5 buddies
The Year 2s have spent a very enjoyable time with their Year 5 buddies this afternoon at Cottages. The Year 5, soon to be Year 6, children will be friendly faces when the Year 2s start at the juniors in September. A great afternoon was had by everyone!

Transition

It has been a very successful couple of weeks of transition and preparing for change in school. We have enjoyed welcoming our new reception children and settling them into the school environment and can't wait for them to visit again.

We have been so impressed with our current reception and year 1 children who have shown all our WBIS values meeting their new teacher and spending time in their new classrooms.

As for our current year 2, they had a successful morning visiting their new classroom and teacher at WBJS. They again represented our school in all the best 'champion' ways and we know they will have the best time in their new school.

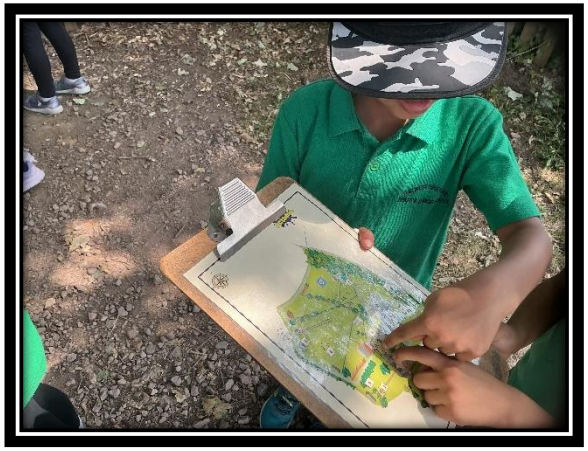

The year 6's came to speak to them and share all their knowledge about the junior school, answering questions and giving them more answers about the school before they start in September.

We have had a great day at Beaumanor Hall!
Photos will be revealed at our Leaver's Concert next week.
Looking forward to seeing you all then.
Have a restful weekend.

Helpers Tea Party

We would like to say a very big **thank you** to all the parents and carers who have supported our school throughout the year.

Whether you have accompanied us on school trips, volunteered as a reader, helped walk children to Church or WBJS, or given your time in so many other ways, your support has made a real difference to our school community. We are incredibly grateful for you all!

We held our annual Helpers' Tea Party to thank those volunteers who regularly give their time to support the school. It was a lovely opportunity to celebrate everything they do and recognise the valuable contribution they make.

On behalf of all the staff and children, thank you once again for your continued support. We truly couldn't do it without you!

Marlborough Court

A group of six children enjoyed a visit to Marlbourgh Court this week. The children were fantastic champions for our school, chatting with the residents, playing games, and listened well to their stories- one lady that lives there is 102 years old!

Champion Mural

We have been thrilled to have Reggie and Gina back again in our playground, creating our wonderful personalised mural with all our Champions on. This has been funded by PTA events and a donation from a past member of staff's family.

Mrs Angela Davis was the headteacher at West Bridgford Infant School for many years with some of our current staff having worked with her during this time. She sadly passed away last year and her family wanted her funeral donations to be made to the school. This commission art work had her in mind and includes flowers and music which she loved. We are very grateful to Angela's family.
