

# COMPUTING MULTIMEDIA YEAR 2

'TO TAKE PHOTOS/VIDEOS INDEPENDENTLY AND EDIT THEM FOR PURPOSE.'

**Photos/Video** I know how to use a camera or other device to take photos and videos for a purpose.

I can arrange clips to make a short film and I can add simple titles and credits.

**Sound Recording** I can record voices.

I know that sound/audio can be recorded on a computer as a sound file.

I can begin to use music software to create and play my own compositions. With help, I am able to evaluate and edit my

## Graphics

I am able to select and use tools appropriately.

I can create a text box and enter text in it.

I can click on the 'Draw a text box' option. I can click and drag the cross to draw my box. I can use the dots to expand or reduce my box.

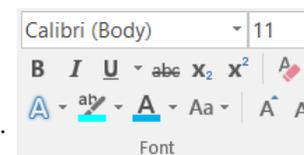

## Text/Word

I am able to access, save and retrieve a Word document.

I can change the font style, colour and size of my writing.

I can begin to import graphics and add text.

I can edit and improve my work by changing, adding and removing words.
